JOB REQUIREMENT

Insulated Patio cover for outdoor entertaining area

PROJECT

Residential home of Grant and Jan Pollard

PRODUCT

DESCRIPTION OF JOB

Grant and Jan Pollard chose Insulspan for its superior span and insulation qualities. With plenty of sunshine the Insulspan Patio Roofing System provided the perfect solution for the out door living requirement.

Perfect for summer days the fully insulated roofing panels insulate against the direct sunlight and provide a truly useable outdoor entertaining area.

The long spans ensure that there are no unsightly support beams with a clean flat ceiling making it very easy to clean.

Contact our qualified estimating team to discuss any projects that could benefit from our Insulspan Insulated Roofing Panels.

Proudly manufactured in Australia by Quick Built Systems.
